Safe

Looks safe

The domain 'cocofreshtea.ca' has a low threat score of 12/100, indicating minimal risk. The domain is registered with a reputable registrar, has a valid SSL certificate issued by Let's Encrypt, and has been observed in passive DNS records since 2019. However, it lacks some security headers and email authentication protocols, which are minor concerns. The overall verdict is Safe.

SUBJECT

Analyzed domain	cocofreshtea.ca
